

Certificate of Completion Presented to

HARSHA VARDHAN REDDY. EMANI

VASIREDDY VENKATADRI INSTITUTE OF TECHNOLOGY

For successfully completing a 45-hour online specialization on **Generative AI**
by **Google Cloud** consisting of three self-paced learning paths:

- ▶ **Beginner Level:** Generative AI Tools and Applications - focused on building AI-powered apps.
- ▶ **Intermediate Level:** A comprehensive learning path tailored for multiple roles, including Application developers, data analysts, cloud engineers, network engineers and security engineers.
- ▶ **Advanced Level:** Enhancing engineering efficiency with Gemini, a natural language chat interface for cloud-related queries, app development, and code generation.

JUNE - AUGUST-2024
